
Keynote Address 2

The Evolution of eBusiness Integration—from Data to Process

Dale Skeen, Vitria Technology, Inc.

Dale Skeen is cofounder and CTO of Vitria Technology, Inc., a pioneer in integration technology. He has over 15 years experience in designing and integrating large-scale, distributed computing systems for some of the world's largest corporations. Prior to Vitria, Skeen cofounded TIBCO, where he served as Chief Scientist. Skeen has held faculty positions at Cornell University and the University of California, Berkeley, where he received his PhD in distributed database systems.
