

Using the IEEE Computer Society Digital Library

www.computer.org/publications/dlib

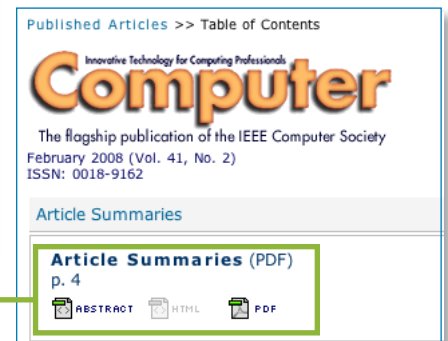

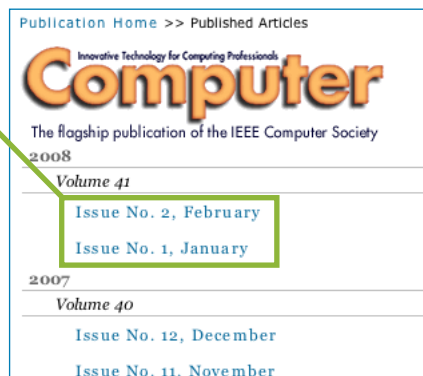

Use the CSDL

- 1 Go to the CSDL home page at www.computer.org/publications/dlib.
- 2 The navigation bar on the left gives you options.
- 3 Browse by title or subject.

Browse a Journal

- 1 Go to www.computer.org/publications/dlib.
- 2 Select the periodical of your choice to view the complete archives of all available issues.
- 3 Click on any issue to see Table of Contents.
- 4 For specific articles, you may view the abstract or the full-text.

Using the IEEE Computer Society Digital Library (cont.)

www.computer.org/publications/dlib

Choose Search Options

- 1 Select Search on the navigation bar.
- 2 Choose **BASIC SEARCH**, **ADVANCED SEARCH**, **SEARCH BY AUTHOR**, or **SEARCH CONFERENCE PROCEEDINGS**

Conduct a Basic Search

- 1 Enter a keyword or phrase.
- 2 Choose to search the **DIGITAL LIBRARY** and/or general **COMPUTER SOCIETY WEBSITE** content.
- 3 Choose appearing in **FULL TEXT**, **TITLE**, **AUTHOR**, or **EXACT PHRASE**.
- 4 Choose results per page.
- 5 Click **SEARCH** for results.

Conduct an Advanced Search

- Enter keywords or phrases in the text box
- Select the fields to search
- Select additional parameters as desired
- Choose date range if desired
- Choose to sort by **RELEVANCE**, **DATE**, or **PUBLICATION TITLE**

Refine your search:

- Select specific publication titles or site areas.
