Message from the Workshop Chairs
IIPTC 2014

Welcome to Guangzhou and the Second International Workshop on Intelligence Information Processing and Trusted Computing (IIPTC 2014), which is held in conjunction with the 9th International Conference on P2P, Parallel, Grid, Cloud and Internet Computing (3PGCIC 2014) at Guangzhou, China from November 8th to 10th, 2014.

With development of Internet and mobile phone communications, many people has begun to use web service as a tool for collaboration on business, artistic works, hobbies, social activities, and so on. The importance of web services and social media is getting higher and higher. Futuristic technologies on web services become a driving force to provide an epoch-making service for social media.

The Second International Workshop on Intelligence Information Processing and Trusted Computing (IIPTC 2014) encompasses a wide range of topics in the research, design, and implementation of Service Computing: intelligence computing, information processing, trust computing and related issues.

The first workshop on IIPTC 2013 was held successfully in Xian, China. And in this time, we can have the second workshop on IIPTC 2014. This workshop provides an international forum for researchers and participants to share and exchange their experiences, discuss challenges and present original ideas in all aspect of Web Services and Information Processing.

We have encouraged contributions describing innovative work on IIPTC such as: Web Services, Social Media and Information Processing. For IIPTC 2014, we have accepted 4 papers, which will be presented in one session.

Many people contributed to the success of IIPTC 2014. First, I would like to thank the organizing committee of 3PGCIC 2014 International Conference for giving us the opportunity to organize the workshop. Second, I would like to thank our program committee members. And of course, I would like to thank all the authors of the workshop for submitting their research works and for their participation.

Finally, I would like to thank the Local Arrangement Chairs for the 3PGCIC Conference. I hope you will enjoy IIPTC workshop and 3PGCIC International Conference, and have a great time in Guangzhou, China.
